

WARBOYS COMMUNITY ASSOCIATION IS WORKING WITH THE RAMSEY FOODBANK

****No one needs to be hungry****

**This is especially important now, when we are in lockdown
because of the Coronavirus pandemic**

**We know there is a growing demand for foodbank help, as many
individuals and families are struggling financially at this difficult time.**

**If you or someone you know needs help with basic food supplies please
put them in contact with Natasha, our Timebank Coordinator, who is now
an authorised Foodbank voucher distributor. She can be contacted by
email warboys.timebank@gmail.com or by telephone 07557 400625**

**Alternatively, Ramsey Foodbank can be contacted directly on
07548 048471 or by emailing info@ramsey.foodbank.org.uk**

**Individuals in need can also contact a range of other agencies such as
Warboys Primary Academy, Moat House Surgery, health visitor, citizens
advice bureau, housing support officers, children's centres and social
services**

**Please note that some criteria will need to be met to qualify for foodbank
vouchers, however all the information provided will be treated in the strictest
confidence and only shared with the Ramsey Food Bank.**

**Once a request is approved vouchers will be issued and these can be
exchanged for a minimum of three days of emergency food - *under the
current circumstances foodbank supplies can be delivered to the recipient***
